

ARE YOU A STRATEGIC INVESTOR?

WANT TO INVEST IN THE HUNGARIAN RENEWABLE ENERGY SECTOR?

If so, take a look at our latest recommendation:

BIOGAS POWER PLANT PROJECT

Your contact persons: Dóra Csátár – dora.csatar@itd.hu - Project Contact

Brigitta Kapa – brigitta.kapa@itd.hu - Project Manager

Establishment of a biogas fermentation power plant. Electricity production will be based on agricultural products from Eastern Hungary, a region with high unemployment but strong agricultural traditions based on its high-quality soil.

The project offers the following competitive advantages:

- local government approved and supported project
- estimated investment cost subsidies – EU/national funds: €5,000,000 – €20,000,000
- short return on investment (8 years)

The project owner is forecasting a return on the total investment of **€40,000,000** within 8 years. The project owner is looking for a joint venture partner to acquire partial ownership (39%) in the project.

How can ITD Hungary help you?

As a one-stop shop, we provide potential foreign investors with high-quality support for key decision-making processes and an array of supplementary services from project preparation through implementation to after care.

In practical terms, this means you receive concise and comprehensive information tailored to your requirements on the local economy and business climate, taxation and the legal environment. We can also compile in-depth sector-specific overviews on request.

Once you come to a decision to see Hungary for yourself, we organise site visits and meetings with local, regional and central government bodies and introduce you to local suppliers, service providers and experts. When embarking on any investment project, taxation and incentives are key factors and our tax experts are on hand to offer invaluable advice and information if and when the need arises.

We will also assist you in selecting an appropriate site and guide you through the permitting process. We also prepare and explain incentives agreements and provide assistance when it comes to staff recruitment.

Even after the investment has been completed, you can always rely on our assistance for anything from an administrative problem requiring government attention or just advice on re-investments.
